Summer attendance policy:

- If you are in town and you have band practice - BE THERE! If you have a job, ask for the time of now, while you have plenty of time to work it out. Remember, "work" is not an excuse to miss rehearsals.
- If you are on vacation, have a great time! :-) (Just let Mr. Barrow know.) Before and after Rookie Day, the month of June, and the first 3 weeks of July are the perfect time for a summer vacation. We just need everyone back by July 19th!!!
